RE: CERTIFICATION

To whom it may concern:

This letter is to certify that Dr. Jainendra Kumar Chaudhary (from the National Academy of Medical Sciences, Bir Hospital, Kathmandu, Nepal) has worked as a Visiting Doctor from November 1st, 2016 to December 9th, 2016 under my supervision in the Department of Surgery, University of Washington Medical Center, Seattle, Washington, USA.

During this period, Dr. Chaudhary has learned cutting-edge technologies on clinical practice and participated in surgical procedures for colorectal cancer and inflammatory bowel disease. Dr. Chaudhary was a valuable member of our team and showed vital surgical thinking and provided critical comments on some surgeries. I hope Dr. Chaudhary, with the surgical experience obtained in the USA will have a productive career when he returns back to Nepal.

Please let me know if you have any question.

Sincerely,

Alessandro Fichera, MD, FACS, FASCRS
