

## Memorandum of Understanding (MOU)

This MOU is signed between the **America Nepal Medical Foundation-Nepal (ANMF-N)** and **Dr. Ramesh Singh Bhandari (Associate Professor, Coordinator for Liver Transplant Development Program, Tribhuvan University, Teaching Hospital)** for "An Observership in Liver Transplant Management" in Atlanta, GA USA. Observation candidates are Dr. Rahul Pathak (GI, TUTH) and Dr. Pramesh Shrestha (Critical Care, TUTH). This MOU shall come into effect on the date that is signed by both parties.

Both parties of this MOU agree as follows:

1. ANMF-N shall award the sum of US \$ 8000 to Dr. Ramesh S Bhandari as financial support for an observership in Liver Transplant Management in Atlanta, GA at Piedmont Hospital and at Emory University Hospital in the Division of Hepatology under mentorship of Dr. Roshan Shrestha, Medical Director of Liver Transplantation, Piedmont Transplant Institute, Clinical Professor of Medicine, Mercer University School of Medicine.
2. All funds shall be spent for direct training expenses as detailed in the attached project overview.
3. Drs. R Bhandari, R Pathak and Dr. P Shrestha shall further augment the training/practice of Liver Transplant methods in the health care service delivery in Nepal.
4. Drs. R Bhandari, R Pathak and Dr. P Shrestha shall advance professional knowledge, enhance skills, and share best practices between the United States and Nepalese medical communities.
5. All financial documents pertaining to this are subject to audit at any time by America Nepal Medical Foundation.
6. Misappropriation of funds for expenditures not outlined in the program budget is grounds for termination of the contract and discontinuation of the financial support from ANMF.
7. Drs. R Bhandari, R Pathak and Dr. P Shrestha shall produce a report including pictures or videos, summarizing their experiences regarding the observership and show progress of their work in advancing Liver Transplantation in TUTH at 6 months and a year.
